

MOREL *best of*

BLUSH is a delicate purple or magenta hue coloring the top of white petals. The “blush” effect, reminiscent of a make up powder blush, is very luminous.

BLUSH *blush* inner Glow!

Technical features

The intensity of this tint will vary according to the temperature. The cooler it gets, the more intense the petals will be colored.

Pot Ø 14 - 22 cm / 5.5 - 8.5 in.
